Local Veteran gets a new roof!

Bruce Standiford, a U.S. Army veteran, received a new roof at no cost on Friday, December 20 from Jeff Home Improvements, an Owens Corning Platinum Roofing Contractor, as part of the Owens Corning Roof Deployment Project in partnership with Habitat for Humanity Clark & Floyd Indiana. "It means everything. I can't put into words what it means to me."

Habitat for Humanity Clark & Floyd Indiana is proud to be a part this great project.

Check out pictures from the Owens Corning Roof Deployment Project with Jeff Home Improvements!

In this issue:

- Local Veteran gets a new roof!
- Apostle Build holds ground blessing.
- Vine Street dedication.
- Habitat Partner Families complete mortgage payments!
- Vectren Foundation and Samtec Cares awards Habitat with grants.
- Save the Date: Habitat House Party March 6.

"I couldn't believe it. I really couldn't believe it. Cause I've never had anybody do anything for me before. Of course, I'm not the person that asks for help, but I did this time. And I couldn't believe it when they called and told me 'We're gonna do it.'"

*-Bruce Standiford
U.S. Army Veteran*

Apostle Build Project holds ground blessing.

Habitat for Humanity held the ground blessing for the Apostle Build Project to begin the Vectren House Build! The ground blessing was held on November 8 at the build site, 221 Fallsview Dr in Clarksville Indiana.

We are extremely grateful to The Town of Clarksville for the donation of this wonderful property and to the Vectren Foundation for their generous grant. This house when complete will be sold to Whitney Stover, a single mother of 5 year old Roman.

Thank you to our Apostles, nine churches ready to share the love of Christ through the Apostle Build project. Thank you **Restoration Christian Church, Northside Christian Church, Southeast Christian Church, Edwardsville United Methodist Church, Central Christian Church, Graceland Baptist Church, St. John Paul II, Sellersburg United Methodist and Eastside Christian Church.**

A special shout out to **WAY-FM** for being a great partner with Habitat and the Apostle Build project!

If you and/or your church want to learn more about how to be involved with the Apostle Build project, Call Jerry or Nichole at 812-948-1235 or visit our website at www.habitatcfi.org

Vine Street Dedication Held.

The Vine Street build project completed and we held the dedication on Friday, October 25. It was great to see so many of the volunteers who were a part of the build come out to see the finished house.

Misti Kidwell and her boys were so excited; they couldn't wait to move in! Misti was thrilled to know she now has her own house to make a home for her family. And just in time for the holidays!

Thank you to all our volunteers who make such a large impact in our community by supporting our mission to provide decent, affordable housing for low-income families.

To learn more about forming a team and be a part of a Habitat build project, contact Nichole at 812-948-1235 or check out our website at habitatcfi.org.

And then we closed! Misti is now the proud owner of her new home! Thank you Momentum Title for all your help!

Volunteers celebrating the completion of the Vine Street build project and the new home for Misti!

Habitat Partner Families complete mortgage payments!

Congratulations to Roy and Connie Martin, Mary Byrd and Beth Hardy for completing the Habitat for Humanity Homeownership program successfully! They paid their last mortgage payments in 2019 and own their homes free and clear. We are so proud of you!

Be sure to sign up to attend an upcoming class.

Thank you Duke Energy for sponsoring the Energy Efficiency Class.

Energy Efficiency Class
Presented by **DUKE ENERGY**
